

Virtual Career Camp

Fall 2021

A PATH TO INDEPENDENCE | BUILD LASTING RELATIONSHIPS | REAL SKILLS FOR YOUNG ADULTS

WHAT IS CAREER CAMP?

Pass is proud to partner with Vocational Rehabilitation to provide a unique and interactive career exploration experience. Career Camp provides Pre-Employment Transition Services to young adults with disabilities between the ages of 14 and 21. PASS Career Camp builds valuable skills through the disciplines of workplace readiness training, work-based learning experiences, job exploration counseling, self-advocacy training, and postsecondary education counseling. These topics of study create a deeper understanding of our current labor market and build foundations for a successful career path. At PASS Career Camp, we believe young adults can do anything they set their mind to and are willing to work for. So dream BIG!
